

Keeping Your Childcare Service First Aid Safe and Compliant

WHY PARTNER WITH US?

Partnering with St John NSW demonstrates your commitment to creating a safe and supportive environment for children, giving parents and staff peace of mind.

Build confidence

96% of students feel ready to apply lifesaving first aid skills after completing a St John NSW course.

Tailored training

Focus on real-life scenarios and common risks, choking prevention, allergy awareness, and injury prevention strategies.

Expert Support

Our highly trained teams provide workplace health and safety risk assessments customised to your childcare service.

FIRST AID TRAINING

We offer flexible, nationally accredited training that aligns with the National Quality Standard (NQS), with course delivery options including online, in-person, and condensed formats.

Nationally Accredited Courses

- Education and Care plus Provide First Aid
- Asthma and Anaphylaxis
- Provide Advanced First Aid
- Provide First Aid
- CPR

Non-Accredited Courses

- Caring for Children
for parents and carers

FLEXIBLE DELIVERY

We offer the convenience of onsite training at your location or the option to book a public course at one of our 45 training venues across NSW.

HOW WE SUPPORT YOUR CENTRE

Beyond training, we offer a comprehensive range of high-quality first aid equipment, defibrillators, and restocking services to help ensure your centre stays compliant with ACECQA guidelines and regulations.
